

# Microsoft 365 Education Plans

- ✓ Online only
- ✓ Desktop and online versions
- + Available as add-on

## Office 365

### A1

A simple, and free option for students and educators at eligible institutions.

## Microsoft 365

### A3

The right solution for institutions that need all of the Microsoft 365 A1 features, plus desktop apps, advanced security, and analytics.

## Microsoft 365

### A5

The most comprehensive plan that features everything A3 offers, plus streamlined licensing, security, and management tools.

Familiar productivity tools including Word, PowerPoint, and Excel along with education-specific versions of Teams and unique offerings like Minecraft Education are tools that educators can use to improve their instructional practices and enhance communication, collaboration, and creativity in the classroom.
