Explore STEM education with all-in-one Minecraft cart

This Microsoft Education cart comes with 150 Minecraft: Education Edition licenses to help your students build 21st century skills in the classroom. Engage students with digital, project-based learning where they flex their creativity by constructing new worlds. Minecraft supports the development of critical skills like collaboration, communication and problem solving, preparing students for the modern workplace.

150 Minecraft: Education Edition licenses

30 Windows 10 devices
Choose from HP Stream 11 G4, HP Pro Book 360 11ee or the Lenovo 300e. With Windows 10, you’ll get a platform for collaborating, exploring and personalized learning.

Device management
Each device comes with Microsoft 365 Education, which includes Intune for Education for device management and Office 365 Education with Teams and OneNote for classroom collaboration.

Bretford CUBE Cart
A simple and affordable mobile device storage solution, the CUBE Cart is ideal for any classroom. It meets the latest safety and certification standards, and keeps devices secure even while charging.

To help your educators use technology effectively in the classroom, your school can receive teacher training at no additional cost when you purchase this Microsoft Education cart. See details.
