# Where EdTech Leaders Connect

## Sunday, June 26
## 7:15–11:00 a.m.

We are thrilled to be a part of the Leadership Exchange at ISTELive 22, where school and district leaders will share their experiences and explore how to create a sustainable path forward with technology.

# Spotlight on Solutions

Sit in on conferences highlighting how school leaders and experts found answers to challenges in their communities with the assistance of Microsoft tools.

## Monday, June 27
## 11:00 a.m.–12:00 p.m.

*Rooms 283–285*

**Hurricanes, floods, and pandemics, oh my! How digital transformation allowed one school district to beat the odds**

Even in the face of multiple natural disasters prior to the onslaught of the COVID-19 pandemic, one North Carolina school district maintained their goal of digital transformation. Learn how using Microsoft Teams helped them accelerate learning and support student achievement.

## Tuesday, June 28
## 11:00 a.m.–12:00 p.m.

*Rooms 283–285*

**Top five HyperDocs tips for Microsoft educators**

Join Holly Clark and Lisa Highfill to learn five things you must know and understand about HyperDocs to create powerful blended learning experiences with Microsoft Word, PowerPoint, and Teams. Gets hands-on and explore student work while creating the inside of a HyperDoc.

# ISTE Schedule At a Glance

These daily schedules give an in-depth look at everything Microsoft has to offer at this year's conference – including product demos, expert-led sessions, and our highly anticipated Spotlight on Solutions content.

Save it for easy reference and start mapping out your ISTE experience!

# Participate in the ISTE Skills Challenge

## June 26–July 25

Calling all ISTE attendees! Come to the Microsoft Learn Educator Center booth 1417 and sign up for the ISTE Skills Challenge. This gamified learning experience for all ISTE participants gets you familiar with the PD and product content on the new hub for educators and school leaders, the Microsoft Learn Educator Center.

Completing the challenge earns you one entry for an hour-long PD session with Microsoft Education Program and Product Group Managers.

**Challenge participants can stop by the Microsoft Learn Educator Center booth to receive SWAG!**

**Learn more at**
