A QUICK GUIDE TO REFLECT

Created by @miss_aird

WHAT IS MICROSOFT REFLECT?

Naming your emotions can help you communicate your needs clearly and get support when you need it! Use emojis and illustrated representations of emotion words to share your personal experience with teachers.

Teachers can also use Reflect to get a sense of your knowledge, confidence, and motivation about certain topics in Class Notebook.

WHY USE REFLECT?

- Build self-awareness and empathy
- Grow emotional vocabulary
- Identify and navigate your emotions
- Develop growth mindset and confidence

USE REFLECT IN TEAMS

When an teacher assigns a Reflect check-in, you will see it in your Class channel.

Select the emoji that best fits how you’re feeling.

Name your emotion by choosing the emotion word that fits with how you are feeling.

You can select different words to read a brief definition and find the right fit.

VIEW PREVIOUS RESPONSES

When a public Reflect check-in closes, you can see how your classmates responded.

Select the Reflect tab to see your previous responses and how your peers responded. You will be able to see how many classmates chose each emoji.

From the Your responses view, you can see all of your previous check-in responses.

WHERE CAN I USE REFLECT?

When an teacher assigns a Reflect check-in, you will see it in your Class channel.

Select the emoji that best fits how you’re feeling.

Name your emotion by choosing the emotion word that fits with how you are feeling.

You can select different words to read a brief definition and find the right fit.
