

# Education device buyback programs

## Shift to Windows 10 and get paid for your old Windows 7 devices

Device buyback programs are a fast, easy, and secure way for schools to shift to Windows 10 while receiving high trade-in value for old devices. Don't wait to get paid—contact your technology partner today to get started.

### Great value

- Get a high-trade-in value for your old devices.
- Apply the payment toward new Windows 10 devices starting at US \$199.

### Fast, easy process

- Receive a quote within days of your request and payment within weeks.
- Packing materials provided and shipping or pickup arranged for you.

### Peace-of-mind

- Certified data erasure per DoD standard 5200.28-M.
- Unusable devices are safely recycled per green R2 Standard. Certificate provided.

#### Request & Receive a Quote

Contact your technology partner for the device buyback program.

#### Easy Device Return

Schools are provided with free premium packaging for easy pickup or shipping.

#### Data Destruction & Green Recycle

100% Guaranteed data erasure to DoD 5200.28-M and NIST standards.

#### Trade-in Payment Issued

School is paid via their preferred technology partner.

#### Buy New Windows 10 Devices

Make the most of your buyback payout and give your school modern, reliable technology with Windows 10 devices.
